*Serving Your Video Needs Since 1955*

## **HDTV996A**

*VSB Player  
Signal Source*

**Designed To Give You Full Control Of Your Video Content For Both Analog and Digital Video Receivers In A Variety Of Applications Including In-Store Demonstrations, Special Events, and Product Testing.**

***The HDTV996A provides you with:***

**An ATSC 8 VSB and NTSC modulated outputs for use on both analog and digital receivers**

**TTL and LVDS parallel Transport Stream Output**

**Supports all ATSC formats including 720P and 1080I for true high definition signals**

**Multiple Input Path For Data Stream including:**

- **TTL or LVDS Parallel**
- **On-Board Network Interface**
- **CD/DVD Drive Input**
- **Optional 8 VSB Demod Card**

**Local or Remote Customization Of Your Entire Playlist**

**Easy-To-Use Front Panel Operation Enables Everyone To Operate The Unit**

---

## HDTV996A Specifications

### ATSC Transport Stream Output:

Input Source: TTL or LVDS (selectable)  
Data Bit Rate: 19.392659 MB/sec  
Output: TTL and LVDS (simultaneous)

### RF Modulated Outputs:

ATSC Output Frequency: UHF 14- 21  
NTSC Output Frequency: VHF 3-13  
Frequency Accuracy: +/- 10 kHz  
Modulation Type: 8 level VSB trellis for ATSC  
Terr.  
Output impedance: 75 Ohm  
Output Power Level: +3 to +6 dBmV  
In-Band SNR(ATSCchannel): 30 dB with equalization

### Program Storage:

Total Play Time: 500-plus minutes(total)  
Max. number o programs: 255  
Data Compatibility: All formats in ATSC standard  
Hard Disk Drive: 80 Gbyte-7200 RPM(standard)

### System:

Display: 4-lines by 20 characters  
Operating System: Microsoft Windows 2000  
Internal Drive Bays: prov. for 2nd HDD  
Network Interface: Integrated on ATX mother-  
board

### General:

Operating Temperature: 15 to 35 degrees C  
Size: 17.5 cm X 35 cm X 38 CM  
HWD  
Weight: 20 lbs.

## Product Options

**Program Material-** Custom loaded programming(material supplied by purchaser or licensed through Sencore)

**Demodulation Card-** Allows you to receive off-air 8 VSB signals and record content directly to hard-drive of the HDTV996A.
